Becoming a Certified Pennie Exchange Assister

Any individual or organization who provides public education or assists customers for or on behalf of the Pennsylvania Insurance Exchange (Pennie[®]) must be **registered** with the Pennsylvania Department of Insurance (PA Insurance Department or PID) as an **Exchange Assister**. This document guides you through the Exchange Assister multi-step registration process.

Before starting, confirm you are able to meet the requirements of the Pennsylvania Navigator and Exchange Assister Accessibility and Regulation Act (2015 Act 7) to be an Exchange Assister. An Assister must:

- Be at least 18 years of age.
- Reside in this Commonwealth or maintain a registered place of business in this Commonwealth.
- Not have committed an act that would be grounds for denial, suspension or revocation of a license as an insurance producer.
- Not have had a license as an insurance producer denied, suspended or revoked.
- Submit a completed application to the PA Insurance Department.
- Submit fingerprints for the PA Insurance Department to receive national criminal history records information from the Criminal Justice Information Services, Division of the Federal Bureau of Investigation.
- Pay the required registration fee and fees for obtaining national criminal history records information as prescribed by the PA Insurance Department.

PID Registration Process Overview

- Step 1: Complete Pennie Assister training that may be requested using this form <u>Request Assister Training (office.com)</u>.
- Step 2: Complete a PA Insurance Department application electronically through the PA Insurance Department Sircon Pennsylvania portal.
 - Total fee is \$5.50 (\$1.00 application fee and \$4.50 service fee).
 - Upload Assister Training Certificate as proof of completion with your application.
- Step 3: Schedule an appointment and be fingerprinted at an IdentoGO enrollment center.
 - Fee is \$23.85.
 - A background check will be conducted.
- Step 4: You will be sent an email with your Exchange Assister registration number upon successful completion of the registration process.
- Step 5: Register your Pennie Exchange Assister Entity, if applicable.

You may view the status of your application at the PA Insurance Department web site at **Application Status (state.pa.us)**.

Helpful Information

- The systems used for the Exchange Assister registration process also support applications for other licensees and states (i.e., producers and brokers). This guide only addresses registering as a Pennie Exchange Assister.
- The registration process will take several weeks due to the fingerprinting process. To save time, complete the application and training process concurrently and schedule your fingerprinting appointment as soon as you submit your application.
- Check on the status of your application periodically. If you see that it is delayed, check for emails requesting additional information (check your spam/junk email too).
- You will receive an email once you have successfully completed the Exchange Assister registration process that will provide you with your PID Registration License Number. You can also look up information using the PID online Licensee tool at <u>Find a Licensed Individual (pa.gov)</u>.
- If you encounter issues or have questions not addressed in this guide, contact:
 - Sircon (877) 876-4430
 - IdentoGO (844) 321-2104 or (855) 845-7434
 - PA Insurance Department <u>RA-IN-healthexchasst@pa.gov</u> or call 717-787-3840, option 3

You are required to complete the Pennie Assister training annually and must renew your PA Insurance Department registration every two years. Both Pennie and the PA Insurance Department will send you email reminders.

Notification of Successful Registration

 You will receive an email with your PA Insurance Department Exchange Assister registration number upon successful completion of the registration process.

 You can also lookup your registration information using the PA Insurance Department online Licensee tool at <u>Find a Licensed Individual (pa.gov)</u>.

(Note: only enter your name and Pennsylvania as the state for the best results.)

Printing Your Assister Registration Certificate

 You may print your registration certificate from the following PA Insurance Department web site:

For Individuals: How to Print Your License (pa.gov)

- You will be asked to provide your license number (which is the Registration Number for Assisters) and password, which is your SSN.
- Read all instructions.
- Note: the PA Insurance Department no longer mails paper licenses.

Pennsylvania Insurance Department > Licensees > For Individuals: How to Print Your License

For Individuals: How to Print Your License

Important! Please read before you begin. After you key in your license number, you will be asked to provide a password. Your password is the last 4 digits of your social security number. The SSN is not transmitted over the network, is not stored in its original form in the license file, and is not stored on the computer used to request the license. Producer licenses are produced in a secured Adobe Acrobat (PDF) format.

Please verify the address shown on your license is correct. To correct or change an address, please do so at <u>www.nipr.com</u>

Care must be taken when requesting a license from a public-access computer. The PA Insurance Department is not responsible for documents saved locally.

If you do not know your license number you may look it up by using the Individual License Search.

If you experience issues printing your license, please review these tips:

- Do not access the Department's website through "bookmarks" or "favorites". You must access the website directly at www.insurance.pa.gov/licensees
- If you are trying to print your license from a work computer, there could be certain security settings in place that may
 prevent you from printing the license. Try printing the license from your home computer.
- If you are using Google Chrome as your web browser, you may see a blank or black screen after you enter the license number and it may take several minutes for the password prompt to appear.
- Be sure to disable any pop-up blockers. If you have pop-up blockers enabled this may prevent the password prompt from
 appearing.
- · Try clearing your computer's cache and cookies.

If you have questions or encounter issues, contact us at ra-in-producer@pa.gov or call 717-787-3840, option 3.

License Number: After you click "next" you must provide a password (the last 4 digits of your SSN only: XXXX). Next
