# What is a Qualifying Life Event?

A qualifying life event is a life-changing situation – sometimes planned, sometimes unexpected – that can impact you and your health insurance.

## Loss of health coverage

Losing existing health coverage, including; Losing eligibility for Medical Assistance (Medicaid), the Children’s Health Insurance Plan (CHIP), or Medicare, job-based coverage, other individual market coverage, and student plans; Turning 26 and losing coverage through a parent’s or guardian’s plan.

## Changes in household

Getting married or divorced; Having a baby or adopting a child; Death in the family.

## Changes in residence

Moving to a different service area within Pennsylvania; A permanent move from another state into Pennsylvania; A student moving to or from the place they attend school; A seasonal worker moving to or from the place they both live and work; Moving to or from a shelter or other transitional housing.

## Other qualifying events

Changes in your income that affect the coverage you qualify for; Gaining membership in a federally recognized tribe or status as an Alaska Native Claims Settlement Act (ANCSA) Corporation shareholder; Gaining a qualifying immigration status; Leaving incarceration (jail or prison); AmeriCorps members beginning or ending their service.

## Pennsylvania Special Enrollment Period (SEP) - Income-based

This SEP is generally available for those ineligible for Medical Assistance (MA) and with household incomes at or below 150% of the Federal Poverty Level (FPL). This includes lawfully present immigrants who aren’t eligible for MA because they haven’t been in the country long enough to qualify.
