

What is Path to Pennie?

Path to Pennie is a special chance for you to enroll in a health plan if you or a family member needs coverage. By filling out a specific state tax form, the PA Department of Revenue will share your information with Pennie and you will receive an estimate of what you could pay for coverage.

Pennie is PA's official health insurance marketplace, and the only place to get financial savings to reduce the cost of coverage or care. All you need to do is complete PA Tax Form REV-1882 'Health Insurance Coverage Information Request' and you will receive information on next steps to enroll in health coverage through Pennie.
